Meli-Melo marks its 20th anniversary at 362 Greenwich Avenue this spring following a third expansion - a fully expanded raw juice bar.

Meli-Melo has been offering international catering with a French twist to the Greenwich community since 1993.

Meli-Melo has been offering fresh squeezed juices and blended smoothies since 1995. The creperie brought in a holistic health and detoxification coach to create an exclusive menu for Meli-Melo after their expansion.

In addition to juices and smoothies, Meli-Melo offers a wide range of salads, soups, ice creams and crepes, some of which are gluten free and dairy free.
